

# RARC DIGEST

Dear RARC Community,

We hope everyone had a restful holiday season! Please see below for our weekly round-up of addiction-related news and events across Rutgers. Have news or events you'd like us to highlight in an upcoming digest? Send the details to RARC Communication Specialist, Ricki Arvesen ([ricki.arvesen@rutgers.edu](mailto:ricki.arvesen@rutgers.edu)).

## RARC News

- **RARC Interest Group on Cannabis (Thursday, January 18, 2024 at 12:00 p.m.):** The next RARC Interest Group on Cannabis meeting will be held virtually and is open to all Rutgers-affiliated individuals. If you are interested in attending this meeting, please reach out to [rarc@bhi.rutgers.edu](mailto:rarc@bhi.rutgers.edu) for the meeting details.
- **Faculty Candidate Chalk Talk with Dr. Ethan Cowan, (January 31, 2024):** Please save the date for a Chalk Talk presentation by **Dr. Ethan Cowan**. Dr. Cowan is a recruitment candidate for a faculty position in the area of Treatment & Recovery at the RARC. Presentation details coming soon!
- **Training in Addiction Research Program (TARP) Hybrid Presentation with Dr. Yavin Shaham (February 12, 2024 at 1:00 p.m.):** Please join us for the Rutgers TARP Monthly Meeting in the Dean's Conference Room (first floor of the RWJMS Research Tower) or on zoom. This event will feature Dr Yavin Shaham, from NIDA-NIH Intramural Research Program. All TARP and RARC faculty and trainees, as well as collaborators are invited. Food and drinks will be provided! More information coming soon!
- **Now Hiring: The Department of Psychiatry at Robert Wood Johnson Medical School** is seeking a Research Project Coordinator. This position involves the conduct of research across several large-scale studies on alcohol and cannabis use and the surrounding context (messaging, media influences). The employee will serve as an active contributor to data collection, processing, analysis, and dissemination along with senior project investigators, project staff, and trainees. For more information, [click here](#).
- **Now Hiring: Two Post-Doc Positions at the RARC.** Two full-time Postdoctoral Research Associate positions are available in Dr. Kristina Jackson's laboratory at the Rutgers Addiction Research Center (RARC). Candidates will have the opportunity to make contributions to ongoing grant-funded studies focused on substance use at Rutgers and collaborating sites while also developing their own research careers. For more information, [click here](#).

## RARC Resource Spotlight

- **Open Access Publishing Opportunities for Rutgers Researchers:** Explore a growing list of publishers whose journals offer reduced Article Processing Charges (APCs) – some down to \$0 – for Open Access articles. To view this resources, [click here](#). To check out our other addiction-related resources, [click here](#)!

## Rutgers News

- **Dr. Danielle Dick, director of Rutgers Addiction Research Center, and Dr. Aitzaz Munir, addiction psychiatrist at Rutgers New Jersey Medical School,** reveal the hidden gems of Dry January in a conversation with the *New York Times*! Cutting back on alcohol for a month can pave the way for better sleep, glowing skin, and a vitality kick. Plus, it's not just about January – it's a chance to break habits, reflect, and make lasting healthy choices. For more information, [click here](#).
- A new study, led by **Nina Cooperman, from Robert Wood Johnson Medical School,** found Mindfulness-Oriented Recovery Enhancement (MORE) plus methadone treatment is linked to significantly less return to drug use than just methadone treatment alone. For more information, [click here](#).

## Opportunities

- **NIDA Diversity Scholars Network (NDSN) Program** - Calling all early-stage investigators (ESIs) to submit a letter of interest for the 2024 NIDA Diversity Scholars Network (NDSN) Program! The goal of the NIDA Diversity Scholars Network Program is to enhance the funding success of ESIs from diverse backgrounds, including investigators from underrepresented groups. The program provides workshops and supportive coaching as participants prepare a complete research or career development award application for NIDA funding consideration. LOI due **January 12, 2024**. For more information, [click here](#).
- **SGS University & Louis Bevier Dissertation Completion Fellowship Competition** - The School of Graduate Studies University & Louis Bevier Dissertation Completion Fellowship is designed to provide support during a doctoral candidate's final year of dissertation research and writing. They anticipate awarding up to 15 Fellowships for the 2024-2025 academic year. The Fellowship provides a stipend of \$25,000, health insurance, and tuition remission for up to 2 research credits per semester. Application deadline ends **January 22, 2024**. For more information, [click here](#).
- **NIH Grant Writing Mini-Course** - New Jersey Alliance for Clinical and Translational Science (NJ ACTS) is hosting a **NIH Grant Writing Mini-Course** in February 2024. This 5-week mini-course is intended for novice grant writers planning to submit a K or R grant in the next year. Enrollment closes **January 12<sup>th</sup>**. For more information, [click here](#).

## Funding Opportunities

- **Request for Applications for Research on Gambling Among Under-served Communities:** The International Center for Responsible Gaming (ICRG) invites investigators to apply for a two-year grant in support of research on the impact of gambling on under-served groups in the U.S. or

Canada. Applicants may request up to \$75,000 per year for a two-year Large Grant with no more than 15% of direct costs for Facilities and Administration. Total requested may not exceed \$172,500. **Application due Jan 22, 2024.** For more information, [click here](#).

- **RFA-DA-25-058: Psychedelics Treatment Research in Substance Use Disorder (UG<sub>3</sub>/UH<sub>3</sub> Clinical Trials Optional)** The purpose of this notice of funding opportunity (NOFO) is to support the development of classic psychedelics (e.g., psilocybin, LSD), empathogens (e.g., MDMA), dissociatives (e.g., ketamine and related compounds), and other hallucinogens (e.g., ibogaine and its analogues) (henceforth “psychedelics”) as new treatment options for Substance Use Disorder (SUD). There is an urgent need to develop novel treatments for SUD in light of the escalating rates of substance use, addiction, and overdose. Lett of Intent due **Jan 28, 2024.** For more information, [click here](#).

### Save the Dates!

- **RU External Speaker Virtual Seminar - Increasing Access to Care: Addressing Critical Gaps in the Prevention and Treatment of Eating Disorders and Obesity**  
**Tuesday, January 16<sup>th</sup> at 9:00 a.m. EST**  
The Departments of Psychiatry and University Behavioral Health Care are hosting **Dr. Denise Wilfley**, to present on her work, “Increasing Access to Care: Addressing Critical Gaps in the Prevention and Treatment of Eating Disorders and Obesity”. For more information, [click here](#).

- RWJMS & RAND Webinar - Charting Your Course: A Guide to Analyzing State Policy Studies**  
**Tuesday, January 23<sup>rd</sup> at 12:00 p.m. EST**

This workshop will provide an overview of the myriad of analytic methods available for state policy evaluation studies, including details on key decision points for an analysis that helps identify which methods are most appropriate for different analytic contexts. For more information, [click here](#).
- NASEM Health and Medicine Workshop - Harm Reduction Services for People Who Use Drugs: Exploring Data Collection, Evidence Gaps, and Research Needs**  
**Tuesday, January 30<sup>th</sup> to Wednesday, January 31<sup>st</sup> at 10:00 a.m. EST**

The *National Academies* is hosting a 2-day virtual public workshop to explore data collection efforts, evidence gaps, and research needs on harm reduction services for people who use drugs (PWUD). Discussions will cover services that prevent overdose & infectious disease transmission and assist PWUD's access to social services. For more information, [click here](#).
- CAS Emerging Addiction Seminar Series - Investigating the Current Ketamine Landscape in the United States**  
**Thursday, February 7<sup>th</sup> at 12:30 p.m. EST**

The Center of Alcohol and Substance Studies invites you to join their in-person seminar with **Dr. Joseph Palamar**, an associate professor of Population Health at the NYU Grossman School of Medicine, and Deputy Director of the National Drug Early Warning System. Dr. Palamar focuses on the epidemiology of use of new psychoactive substances and party drugs both in the general population and in high-risk scenes. This important work helps inform prevention and harm reduction efforts. For more information, [click here](#).
- 10<sup>th</sup> Annual New York City Epidemiology Forum**  
**Thursday, April 4<sup>th</sup>**

Co-hosted by *NYU Grossman School of Medicine* and *NYU School of Global Public Health*, this conference will include oral presentations, posters, and discussion sessions and is expected to lead to new collaborative activities, such as networks with shared resources and joint educational programs. Please register before **Monday, March 25, 2024**. Attendance is free and includes lunch. For more information, [click here](#).
